

# Premium Sports Flooring

TUFLEX® FORCE®

Tough floor that's easy on the environment.

**FLEXCO**<sup>®</sup>  
AMERICAN-MADE FLOORING

# Premium Sports Flooring

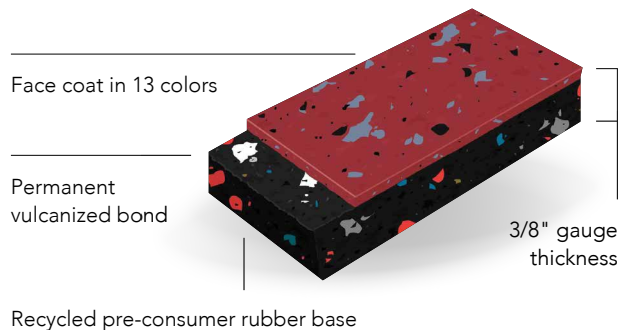

## TUFLEX FORCE

Stands up to environmental challenges.

Using only the finest raw and recycled materials, Tuflex is manufactured to reduce environmental impact and energy use. It's the only rubber sports flooring to earn the USDA Certified Biobased Product distinction.

Through a proprietary vulcanization process, the layers in each tile are permanently fused together. This highly durable construction makes it ideal for high-impact, high-traffic commercial spaces.

The engineered flooring system that won't separate.

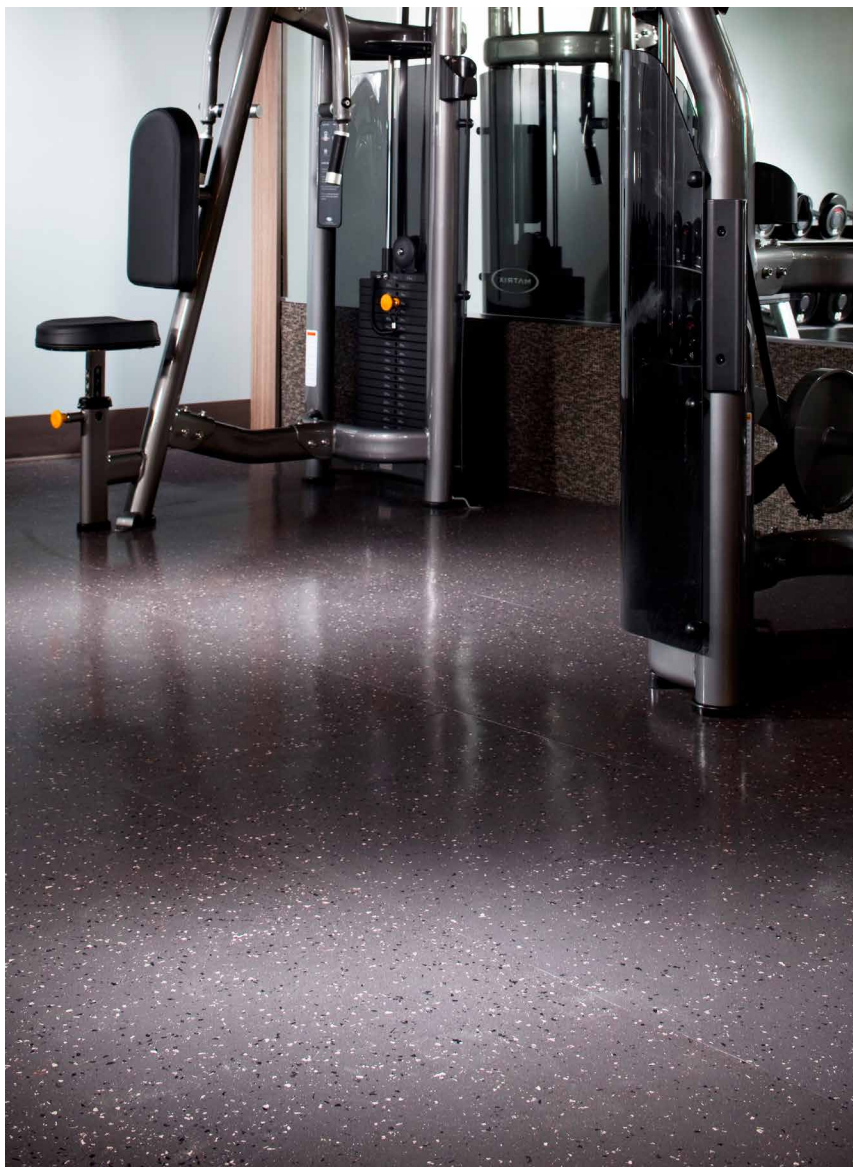

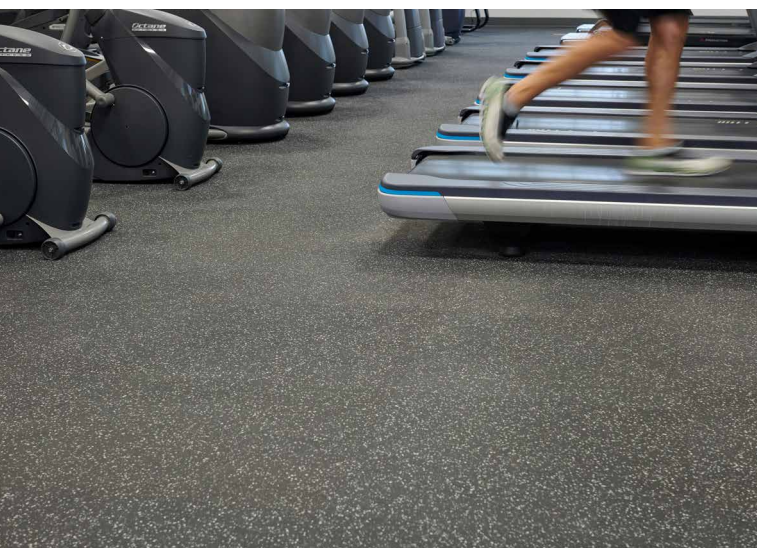

### Outstanding performance and durability

- ~ Lifetime Wall-to-Wall Warranty guarantees the floor won't cup, crown or buckle
- ~ Outstanding traction, slip resistance and impact absorption protect against injury
- ~ Quiet and cushioned underfoot for added comfort
- ~ Exceeds OSHA and ADA recommendations for safety
- ~ Meets ASTM F1515 industry standards for wear and anti-fading properties
- ~ Hygienic, non-porous surface resists germs and bacteria for easy cleaning

### Superior sustainability

- ~ The only USDA Certified Biobased sports flooring
- ~ The first Red List Free\* sports flooring
- ~ Contains no phthalates, PVC, cyanates or formaldehyde contributing to improved interior air quality
- ~ Qualifies for LEED v4, WELL, BREEAM, CHPS, and LBC certifications
- ~ Meets ASTM E90, E492 and E2179 testing standards for sound deadening—without the use of underlayment
- ~ 100% recyclable; a zero-waste option when reclaimed through Flexco's IMPACT program
- ~ Contains a minimum of 24% pre-consumer recycled rubber content and no tire-derived crumb rubber
- ~ Made in the U.S.A.

\*As identified by the International Living-Future Institute

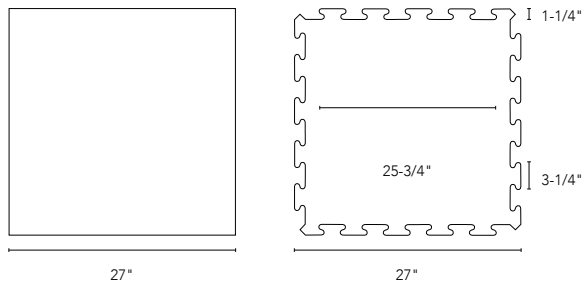

Tuflex Force brings lasting strength, versatility, safety and comfort to active environments.

### Ideal for active, multiuse spaces

- ~ Physical therapy, healthcare, veterinary environments
- ~ Sports and fitness facilities, weight and locker rooms
- ~ Ice arena player tunnels and walkways
- ~ Yoga and exercise studios
- ~ Daycare centers, play zones, activity areas
- ~ Commercial, industrial, airport spaces
