CUSTOM CUT DESIGN SERVICE

Precise cutting and customization.

Inspirations Custom Cut Design Service for Flexco flooring is a great way to create interest and make spaces more fun and functional.

Whether you want to enhance branding, add wayfinding or highlight a logo, mascot or emblem, our advanced waterjet cutting enables us to fully integrate even the most detailed design throughout the entire thickness of every tile. This process far surpasses hand cutting for a polished, professional result that will leave a lasting impression.

- ~ Flooring options available in multiple gauges
- ~ Specify any size, from a single tile to your largest installation
- ~ Select any color in our product portfolio or create a custom formulation
- ~ Precisely embedded for a long-lasting impression
- ~ Resistant to scuffs and gouges

Game Line Kits

GAME TIME MADE SIMPLE.

Whether you have a full-size court, a multipurpose gym or a smaller facility with reduced court dimensions, our pre-measured Game Line Kits install as an integrated part of the floor and stand up to high-impact use, saving you time and money.

- ~ Pre-measured, compliant templates
- ~ Available for all rubber and luxury vinyl tile flooring
- ~ Choose from waterjet-cut or painted game lines
- ~ Sharp and consistent lines give a polished, professional result
- ~ Uniform line measurements consistent with multiple sports regulations
- ~ Multiple color options allow for branding and customization
